Greetings!

Here is the latest from the APICS Pittsburgh Chapter! Sorry for the delay, October has been a busy month.

President's Message

The APICS 2015 International Conference was held October 4th through the 7th in Las Vegas. Presentations from the event will be added to the APICS website under APICS 2015. This takes some time so be patient. <http://www.apics.org/careers-education-professional-development/events/conferences/apics-conference-presentations>.

I also had the privilege and honor to accept the Volunteer of the Year award for C.J. Connelly's family. CJ received the award posthumously but was aware his name was submitted before his passing. His commitment to support funding students to attend conference and working with the military to translate their activities to the private sector where major points for him receiving the award.

	type of Membership, and your Company affiliation.
Notice	No show reservations and cancellations received after noon on Monday will be invoiced for the full cost.
Cost:	\$10 for APICS student chapter members \$25 for APICS members \$30 for Visitors
Agenda	5:30 - 6:00 Registration 6:00 - 6:30 Dinner Buffet 6:30 - 7:30 Presentation by Kuehne + Nagel and Q&A 7:45 Event wrap up and announcements

Membership survey have been sent to all members. We need your input to continue to provide services and opportunities for networking and learning. Please spend a few minutes to complete. If you have not received a survey contact william.a.geisler@gmail.com, your input is essential as the board plans activities in the coming months.

October's PDM had a few students from Slippery Rock University. Student members are given a different color name tag to allow professionals to easily identify them. This is an excellent opportunity for professional members to interact with the students and make them feel part of the Supply Chain community.

Update your calendars, PDMs are schedule the 2nd Wednesday of the month. Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or thomassbrown@eaton.com.

Enhancing your Personal Network December 2nd, 2015

Free Event at Duquesne University on December 2, 2015 for all APICS Pittsburgh Chapter Members to discuss the importance of building your professional network. The program will include a panel discussion on networking as it relates to job searches and finding talent. Also included are career enhancement topics such as mentoring, certification, education, and volunteer opportunities with the Pittsburgh Chapter.

We will be joined by a new partner, PAPEN, a local organization helping people to build networking skills and providing resources to job seekers.

Please join us for dinner and a night of meeting your fellow members of the Pittsburgh Chapter of APICS.

Wednesday, December 2, 2015
Duquesne University
505 Rockwell Hall

Dinner will be provided as well as the ability to meet and network with other Chapter members. You can Register now by using this [link](#).

Reminder:

Just a reminder from the Pittsburgh Chapter Board of Directors regarding the policy on providing past PDM attendance confirmation evidence for the membership.

It has and will continue to be the responsibility of the attendee to keep proof of their attendance to PDMs. We (Pittsburgh Chapter APICS) offer receipts at the door and email confirmations during registration that should be acceptable. We (Pittsburgh Chapter APICS) are not unique, other professional organizations such as PMI also puts the recording of attendance on the attendee. We (Pittsburgh Chapter APICS) really do not have an easy process to see if the member paid or how. That would be a manually intensive process.

Top ten reasons to host an "Introduction to Supply Chain Management" class at your organization:

10. If you have new supply chain employees (and you know you do!), this is an excellent way to introduce and/or reinforce the concept of the integrated supply chain.

9. It provides training that is focused on the
