Greetings!

Looking forward to seeing everyone at the September PDM.

APICS Pittsburgh Board

President's Message

The Pittsburgh Chapter Fiscal year is from July 1 through June 30th. An internal audit of the Chapter's finances has been completed with no discrepancies. All budgets submitted to the Board of Directors have also been approved for the new year.

As we start the new program year we have almost a full schedule. PDMs and class schedules are available on the website. The website has also been upgraded to have pages for the local Student Chapters at <http://apics-pgh.org/2016/03/student-chapters/>. The University of Pittsburgh will be representing the Mid Atlantic District at the International Conference. Good luck Pitt.

The APICS International Conference is in DC this year. It is within driving distance and there is still time to register. Details can be found using this link. <http://www.apics.org/annual-conference/home>

Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or thomassbrown@eaton.com.

CPIM class fees are \$575 for APICS members, \$675 for non-members. CSCP class fee is \$1,800 for APICS members, \$2,000 for non-members.

If you are interested in any of these classes and have not already registered, please contact Jack Martis at jfm2620@comcast.net or call at 1-866-MY-APICS x102 or 724-331-0866. Also, we are always looking for organizations to host classes. If you're interested in bringing APICS education directly to your employee base, please contact me directly.

Looking for CSCP or CPIM Maintenance Points? This is for you!

In November, the University of Pittsburgh Center for Supply Chain Management will be hosting a symposium entitled "Supply Chains in the Digital Era". This full-day event will feature presentations from senior executives from healthcare, manufacturing, transportation, and non-profit organizations on subjects such as Technology Trends, Omni-Channel Fulfillment, and Big Data. Don't miss this terrific learning opportunity on today's technology-driven supply chains! Watch next month's newsletter for more details.

Student Chapters

Congratulations to Matt Schuetz, a student who worked on Programs with the Pittsburgh Chapter Board, on starting a new role as a Manufacturing Planner with Lockheed Martin in Denver Colorado.

**Congratulations to Members
 achieving CPIM last month:**

David OLeary CPIM
 Jeffrey Birenbaum CPIM

March membership totals came in at 47,003. New members totaled 2,096 and new student members totaled 693.

Chapter Management Excellence is an integral component to enhancing the member experience. Successful APICS chapters provide their members with opportunities for stellar education, career development, and networking.

The APICS Chapter Benchmarking and Recognition (CBAR) program recognizes chapters that have exceeded minimum standards and exemplify excellence in overall chapter management. We are proud to announce the APICS Pittsburgh Chapter received the **2015 CBAR Platinum** Award designation, an admirable accomplishment for an APICS chapter.

As a member of an APICS Platinum Award Winning Chapter, the CBAR designation signifies your chapter's commitment to providing an exceptional membership experience.
