Greetings!

NOW is the perfect time to start your CLTD journey. Join the Pittsburgh Chapter instructor led class at Industrial Scientific on April 11th 2017. Please below see why YOU should earn your CLTD Certification.

APICS Pittsburgh Board

President's Message

In February the APICS Mid Atlantic District meeting was held in Pittsburgh. One of the events of the meeting was the Student Case Competition. There were 5 teams competing for the opportunity to represent the District at the APICS International Conference. The winning team received funds to help with expenses to attend the conference. I would like to congratulate the University of Pittsburgh Team for winning the case competition and look forward to them competing in the finals at Annual Conference. This will be PITT'S second year in a row they have made it to the finals. LET'S GO PITT!

The nominating committee has provided a list of candidates for the three Pittsburgh Chapter offices. The year's chapter elections will be held during the last PDM of the season. The May PDM will be at the Eaton Customer Experience Center in Warrendale. On the ballot will be Tom Brown as President, William(Bill) Geister as Executive Vice President and Ed Giacchino as Vice President of Finance. We did not receive any new candidates from the membership this year. Please try to attend this meeting and cast your vote for the chapter leadership.

APICS International Conference will be in October in San Antonio Texas. Follow the link for more information <http://www.apics.org/annual-conference/home> .

Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or ThomasSBrown@eaton.com .

Certified in Logistics, Transportation and Distribution (CLTD) Become a recognized expert in the logistics, transportation and distribution fields. Certification demonstrates in-depth knowledge of a broad range of topics to set you apart from your colleagues - proving your high level of knowledge and skills. You'll be a more valuable asset to your organization, keeping you and your organization more competitive in today's global economy.

[University of Pittsburgh Takes First Place at APICS Mid Atlantic District Student Case Competition](#)

The APICS Mid Atlantic District hosted its eighth annual student case competition in Pittsburgh, PA on February 24 and 25, 2017. Using "The Fresh Connection" web-based value chain simulation, 22 teams from 10 district universities began virtual preliminary rounds competition in November. The Fresh Connection has been experienced by more 10,000 professionals in 500 companies and in over 100 universities across the world.

Congratulations to University of Pittsburgh winning the competition. The team will represent the Mid Atlantic District this October in San Antonio, TX at APICS 2017 International Student Case Competition. Teams from the University of Maryland took 2nd place and 3rd place.

APICS Pittsburgh Chapter Current Membership:

453 members

Welcome to our New Members!!

Thank you for renewing your existing Membership!

Congratulations to Shelli Luther for achieving her CPIM Certification!!

Chapter Management Excellence is an integral component to enhancing the member experience. Successful APICS chapters provide their members with opportunities for stellar education, career development, and networking.

The APICS Chapter Benchmarking and Recognition (CBAR) program recognizes chapters that have exceeded minimum standards and exemplify excellence in overall chapter management. We are proud to announce the APICS Pittsburgh Chapter received the 2016 CBAR Platinum Award designation, an admirable accomplishment for an APICS chapter.

Why you should earn the CLTD designation?

1. Gain recognition in the field as a logistics expert
2. Build credibility and set yourself apart from peers
3. Learn latest trends in global supply chain logistics
4. Impact your organization's bottom line
5. Demonstrate logistics mastery of knowledge

START on APRIL 11th 2017 at INDUSTRIAL SCIENTIFIC!!
