APICS Pittsburgh Board

## President's Message

I would like to thank Dan Carnovale from Eaton Corporation for ending this year's PDM season on a high note. Dan provided an overview of Eaton and showed a good number of the electrical products sold. Discussions with the attendees about energy savings options that Eaton supplies could have continued for hours.

This PDM was also the election of the Board of Directors for the 2017-2018 term. I would like to congratulate elected officers William(Bill) Geisler as Executive Vice President, Ed Giacchino as Vice President of Finance and thank the membership keeping me for another term as the President. If you are interested in volunteering for a board position or would like to just help out on a committee, contact Tom Brown [thomassbrown@eaton.com](mailto:thomassbrown@eaton.com).

There will be a Networking gathering on May 24 at the Pittsburgh Marriott North - Cranberry Township. Registration is free and is not required but will help the team to prepare.  
<https://events.r20.constantcontact.com/register/eventReg?oeidk=a07ee5ftqgi8fc7995d&oseq=&c=&ch>. This event will provide a networking opportunity for anybody interested in APICS or members to meet other members. Unfortunately this event does not qualify for a PDM credit towards certification maintenance.

Don't forget to register for the APICS International Conference in October in San Antonio, TX. You can still take advantage of early bird discounts. Follow the link for more information. <http://www.apics.org/annual-conference/home>.

Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or [thomassbrown@eaton.com](mailto:thomassbrown@eaton.com).

Chapter Management Excellence is an integral component to enhancing the member experience. Successful APICS chapters provide their members with opportunities for stellar education, career development, and networking.

The APICS Chapter Benchmarking and Recognition (CBAR) program recognizes chapters that have exceeded minimum standards and exemplify excellence in overall chapter management. We are proud to announce the APICS Pittsburgh Chapter received the 2016 CBAR Platinum Award designation, an admirable accomplishment for an APICS chapter.

As a member of an APICS Platinum Award Winning Chapter, the CBAR designation signifies your chapter's commitment to providing an exceptional membership experience.
