President's Message

Last month the program and social media teams sponsored our first morning coffee meeting. This was an opportunity for professionals interested in APICS to get a better understanding of what the Pittsburgh chapter has to offer. Please watch the website for future opportunities.

The PDM schedule is filling up, if you would like to showcase your company to other supply chain professionals in the Pittsburgh area please contact Jan [Hanchak](#) to set up an event.

APICS International Conference is scheduled OCT 15-18 in San Antonio, TX. It is an excellent opportunity to network with other supply chain professionals and take advantage of advanced learning. Follow the link for more information.

<http://www.apics.org/annual-conference/home>. The university of Pittsburgh for the second year in a row has a student team competing in the student case completion. We wish them the best.

Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or thomassbrown@eaton.com.

Welcome to our New Members!!

Thank you for renewing your existing Membership!

Chapter Management Excellence is an integral component to enhancing the member experience. Successful APICS chapters provide their members with opportunities for stellar education, career development, and networking.

The APICS Chapter Benchmarking and Recognition (CBAR) program recognizes chapters that have exceeded minimum standards and exemplify excellence in overall chapter management. We are proud to announce the APICS Pittsburgh Chapter received the **2016 CBAR Platinum Award** designation, an admirable accomplishment for an APICS chapter.
