President's Message

There is no scheduled PDM event for December, however the team is working on another social event in February in the city of Pittsburgh area. Watch the newsletter and website for additional information. The education team is also finalizing the winter and class offerings. Remember there is a new formation for the CPIM certification. The certification can now be achieved by completing two tests rather than the five as prior requirements.

The Pittsburgh chapter would like to wish all members a happy and safe holiday session. PDMs will resume in January. The PDM schedule is filling up, if you would like to showcase your company to other supply chain professionals in the Pittsburgh area please contact Jan Hanchak JanMHanchak@eaton.com to set up an event.

Thank you for being part of the APICS Pittsburgh Chapter. If you have any questions or comments, please feel free to contact me at 1-866 MY APICS extension 100 or thomassbrown@eaton.com
